Panshanger Says NO to Quarry

We the undersigned are profoundly concerned about the prospect of gravel extraction quarrying at Panshanger (so called AFS12) and call on the Government Inspector to reject Lafarge's appeal to be allowed to quarry.

This petition is organised by Conservative Parliamentary Spokesman, Grant Shapps, and will be presented to the government inspector prior to March 5th 2005 when a recommendation is expected to be made to Herts County Council. In order to be kept updated on this and other local campaigns, please include your email address.

Conservative Parliamentary Spokesman, Grant Shapps, is working with Families Against Gravel Extraction (F.A.M.E) to press the case for Panshanger to continue to be excluded from quarrying by Lafarge.
